

Cambridge CELTA courses in Athens

Part-time & full-time courses

The **face to face CELTA** is offered as either a **part-time** course over 12-16 weeks or as an **intensive, full-time** course completed over 4 weeks. Face to face courses are suitable for people who live in or near Athens or for international student teachers who are able to come and spend at least four weeks in Athens, an ideal location in Europe to follow this great course.

CELTA courses require 100% attendance so do please study the course options carefully and select the one you can commit to fully for the duration.

Each course option poses its own demands; full time courses are highly intensive but you are very focused on the content and your progress and you are done in just four weeks.

Part time courses can be equally demanding if you are working a full time job but, if teaching, they can give you the opportunity to start trying out ideas with your classes.

Which one is the best option for you?

Full-time CELTA courses completed over 4 weeks in Athens

Full time courses are completed over **four weeks** and they are offered throughout the academic year as well as in the summer months.

We normally run 5-6 such courses every year and our trainees come from around the globe.

Attendance is every day during weekdays (Monday to Friday); it is **all-day attendance**, usually from 10:00 – 18:30.

If you cannot manage an Athens stay for more than two weeks, then you may want to consider the **online CELTA** instead.

Part-time CELTA courses

completed over 12 or 16 weeks in Athens

This is a course option usually offered with start dates in October and January. There are two attendance choices to accommodate candidates working different schedules.

- **Weekdays:** with sessions on **three mornings per week** (half-day sessions 10:00 - 14.00)
These sessions are offered on Mondays, Wednesdays & Fridays (fall term) or on Tuesdays, Thursdays & Fridays (winter term) although the centre is flexible if most applicants wish to follow on alternate mornings.

or

- **Saturdays** only - once a week on **Saturdays (all-day sessions)**. If you are currently in full time employment and live in or near Athens, the part-time CELTA, which allows you to complete the course at a more relaxed pace, may well be the best choice for you.
