## School Details – Athens

The centre is situated in the heart of Athens and is easily accessible from every part of the city. It has been an Authorised Cambridge Teaching Awards Centre since 1993. The centre is especially supportive of its trainees, and offers:

- Fully equipped spacious classrooms with interactive whiteboards.
- Multilingual classes of adults where our candidates can observe and be observed while teaching.
- Excellent pre-, while- and post-course support through a Delta course dedicated wiki with organised links, articles, and resources as well as sample assignments and videotaped seminars for preparation and revision.
- Free internet access and use of PCs for lesson preparation and materials design
- An excellent ELT dedicated library and resources, which have received high praise by all Cambridge Assessors.

## Platforms used

Our candidates are also supported through

- A course dedicated **resources website**, [PBworks](#). This acts as a repository for all resources needed for the trainees to study for their course.
- A course dedicated **communication platform**, [Schoolology](#), for discussions, uploading of assignments, feedback on drafts and much more!
- A **closed** Facebook group to help network with all our other international candidates, be invited to observe live or livestreamed lessons delivered at CELT (with our candidates' permission, of course). This is also where we post jobs sent to our centre asking to connect with our candidates or alumni.

## Cambridge Assessment Dates for Modules 1, 2 & 3

**Module 1 Written Exams** can be taken at CELT if you are following a course near the due dates (first Wednesday of June and December each year) or can be taken at any Authorised CELTA/Delta centre near you. There are **two** exam sessions/periods for Modules 1 & 3, **June & December** – hence candidates attending fall courses will need to sit Module 1 exams in June or December in Athens or at a centre near them. Module 1 assessment can be taken before or after the Module 2 assessment.

**Module 2** - CELT organises external assessments in late May, early August and late November. If requested, external assessments can be scheduled at other times of the year, provided an assessor can be found and the candidate is prepared to pay for the assessor's flight and accommodation.

There are **three** exam sessions for Module 2, **June, October & December**. All Module 2 internal assessments take place in Athens - the same goes for the last, external assessment, although in exceptional circumstances, an external assessor can be flown in to the candidate's school **at the candidate's expense**.

**Module 3** assignment writing is usually done **after** the end of the 24-week course. During this stage, you will be assigned a supervising tutor who will support, review drafts and invite you to a number of online tutorials to support your writing.

**Individual furnished flats** are available starting at 400-500 Euros per month (water, electricity & wifi charges included). Early booking is advised.

**For a furnished room in a flat shared with one or two other trainees**, a rental of 350 per room per month (including all bills as above) is usual. Of course, it is also possible to find accommodation on your own through one of the many sites that offer this service.
